Company Capability

CALLOWAY and/or CALLOWAY key staff, have experience and capabilities similar to SeaPort-e functional areas including: Program Management, Administrative and Clerical, Financial Accounting, Engineering, Environmental, Safety and Health, Educational, Logistics, Training, Security, Facilities Maintenance, Range Support, & IT/Graphics services IT & Engineering systems, and IT and medical product supply that meet participating SEAPORT-E ordering agencies' needs. CALLOWAY has a prime SeaPort-e contract issued in 2013, and additional of the 7 zones awarded in 2013. CALLOWAY has completed a variety of federal contracts similar to SeaPort-e contracts issued in Zones 1, 2, 3, 4, 5, 6, and 7. CALLOWAY has a prime SeaPort-e contract issued in 2012, and the additional zones added/awarded in 2013. Tetra Tech EMC is a sub on our prime SeaPort-e contract as we are a sub on their SeaPort-e contract as well presently. In addition, CALLOWAY is presently negotiating a subcontract for the recent awarded NAVY and Marine Corp Enterprise System design including USMC's intranet NMCI worldwide as a sub to strategic alliance member for the HP prime contract, Lockheed Martin. Those services will include a variety of enterprise systems software and COTS interface support, and cyber security support for the overall NAVY NGEN transition development from NCMI to the NGEN Enterprise System. The prime

contract value is \$3.5 Billion/year, 5 year possible contract and subcontract. The first issued work request order includes over 250 positions onsite worldwide and within the US for the USMC NCMI transition to NGEN upcoming effort. CALLOWAY also just completed a prime EDWOSB competitive award environmental consulting services contract for a SeaPort-e ordering agency, the USMC/MCIEAST Region (zone 3) providing a variety of encroachment, compliance, website/sharepoint design, GIS map production, outreach, research, and partnering to support the G-7 Unit encroachment mitigation planning mission sustainment for their training ranges in the 5 state region. CALLOWAY completed 5 TOs ranging in value from about \$40k up to \$95k from August 4, 2012 through October 31, 2013. Our Subs on that effort included SAIC (now LEIDOS), and Atkins Global (formerly PBS&J).CALLOWAY performed over 85% of the labor value for each of the 5 TOs completed.
