### **Past Performance**

#### **N00178-04-D-4012-M808, Zone 2, Functional Area 1 Research and Development**

**Description:** Provide integration services, supplies, and modernization support to NAWCAD Patuxent River, St. Inigoes, MD. These services support rapid design, development, customization, manufacturing, fabrication, procurement, integration, test and evaluation, installation, certification, maintenance and upgrade, logistic, modernization, and life cycle support of new and/or existing shipboard and airborne systems. Platforms Supported: AEGIS Modernization Efforts, Common Radio Room (CRR) Technical and Engineering Support, Unmanned Aerial Systems (UAS) System Integration Support, United States Coast Guard (USCG) Engineering and Program Management Support, Tomahawk Command and Control System (TC2S)/ Digital Camera Receiving System (DCRS). Information Technology/ Irregular Warfare.

**Value:** \$88,326,248

**Contracting Officer:** Thomas Stann, Code: 2.5.1.2

**Phone:** (301) 757-2301

**Email:** [Thomas.stann@navy.mil](mailto:Thomas.stann@navy.mil)

#### **N00178-04-D-4012-HR13, Zone 4, Functional Area 12 Information System Development, Information Assurance, and Information Technology Support**

**Description:** Tier 1 contractor personnel shall be considered mission essential and deployable on any COCOM exercises or deployments. The contractor shall provide on-site DJC2 technical support at the COCOM garrison locations where DJC2 is fielded. Contractor personnel located at these sites shall support not only those specific geographical locations, but also all DJC2 deployment sites within the COCOM's Area of Responsibility (AOR) and other COCOM locations as needed. This support includes hardware and software technical support, system setup, Information Assurance Vulnerability Alert/Patch Management, and system sustainment. The contractor shall support the delivery,

installation, and configuration of software and hardware to include patches, fixes, upgrades and other field change notices.

**Value:** \$41,695,625

**Contracting Officer:** Mary F. Hines, Code: CDC2

**Phone:** (850) 235-5389

**Email:** [Mary.F.Hines@navy.mil](mailto:Mary.F.Hines@navy.mil)

**N00178-04-D-4012-M807, Zone 2, Functional Area 2 Engineering, systems Engineering, and Process Support**

**Description:** Provide acquisition logistics support for the H-53 weapon systems program, including the engine system, airframe, electrical, avionics systems and associated support equipment.

**Value:** \$30,886,090

**Contracting Officer:** Rita Peg, Code: 2.5.1.6.1

**Phone:** (301) 757-2520

**Email:** [Rita.Pegg@navy.mil](mailto:Rita.Pegg@navy.mil)

**N00178-04-D-4012-NW12, Zone 6, Functional Area 22 Public Affairs and Multimedia Support**

**Description:** Contractor will be responsible for developing NPS programmatic marketing (PM) material as a “programmatic marketing” contractor – market analysis, design, creating, improving, tracking, and reporting results. The work may be for various NPS programs but it is imperative to maintain effective working relationships with all NPS programs, promoting each program to its furthest reach including NPS alumni. “PM” is expected to discuss marketing strategy and tactics with NPS instructional programs and to provide creative and timely promotional solutions. Programmatic Marketing is expected to foster positive and collaborative relationships with schools, faculty members, and other CED3 teams. Programmatic Marketing is expected to develop and execute a programmatic marketing plan. “PM” creates and provides high quality marketing and promotional services and products, and utilizes resources effectively and efficiently.

**Value:** \$8,680,188.04

**Contracting Officer:** Claudia Aguzar

**Phone:** (619) 556-6145
